Exciting Projects Ahead!

• Foley website coming soon!

Our school website is currently under development and should be up and running in a matter of weeks. It will be our online newsletter full of the latest events, projects, work, photos, menus, letters and so much more!

• Library revamp has begun

The development of the school library has begun. The new blinds are up, new seating has arrived and new media, furnishings not to mention books have been ordered and are on their way. Local librarians and staff are reorganizing and sourcing new books for all to enjoy.

• Exciting play area proposal

See the proposed new play area below. We're hoping to create a fantastic state of the art sensory play area in the school yard. The design has been commissioned and we hope to launch this exciting project as soon as possible.

Principal's Message

I would like to thank all the staff of the school for their continuing support and dedication above and beyond the call of duty in continuing to deliver an excellent high quality educational experience for all the children at our school.

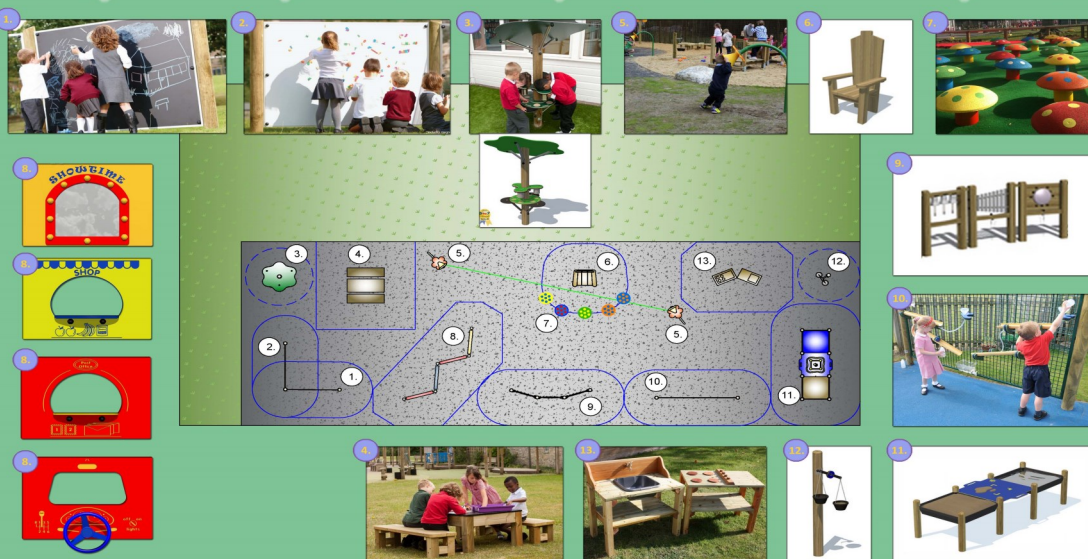

Our Newsletter this month is a celebration of the many activities and projects which the staff have been delivering and are preparing to deliver to the children as the 2014-15 school year comes to a close.

Please note the End of Year Show which will involve a variety of events including Drama, Music, Dance and Poetry involving all the children in the school. This is not only a fundraiser for our school but also a great showcase for the talent and work that goes on in Foley.

We would encourage you all to attend in Ballymacnab Hall on Wednesday 17th June at 7.00pm and to bring extended family, prospective parents and their children along to see what our school can offer them.

DRAWING TITLE Proposed layout & Equipment

Scale: 1:100 @ A3

Date: April 2015

First Communion.

**Issue 23.
May. 2015.**

On Saturday 9th of May our P.4 children made their First Communion in Clady Chapel. The children were excellent performing their many jobs perfectly and we're all very proud of them. Thank you to all the boys and girls who came to choir, your singing helped make a special day even more special.

Congratulations Rosie, Shea, Aoife, Caolan, Ella, Liam, Roise and Liam on your big day.

Farewell Brenda!

After two and a half years with us, Brenda, our cook, is moving on to a new post. We'd like to thank her for her hard work and the delicious dinners she created during her time here. On 30th April at a special assembly, Head Boy and Girl presented Brenda with flowers from the Foley children and a present from the staff.

Plant Power!

We've gone all green fingered at Foley for Spring. The planters outside are looking blooming lovely after being replanted by the gardening club. Also, P.3/4 have been busy growing bean, pumpkin and courgette plants and dwarf sunflowers. Track our

progress in our Foley growing diary at www.innocentdrinks.ie

Safety Talks

The important message about safety and awareness on farms and online has been highlighted by our recent workshops on these important topics.

These were interesting and enjoyable with the children paying lots of attention and displaying their own personal knowledge through their stories and questions.
